

Errata Corrige

In Pharmacologyonline 2 : 1-23 (2005), of Rossini et al, at the page 4, Paragraph iNOS purification, the 6th and 7th first lines must be red:
... " 500 ml batches: a), b), and c). Batches b), and c) were added with 3 mM aminoguanidine (AG; hemisulfate salt, Sigma), and 0.1 mM S-methyl-iso-thiourea (SMITU; sulfate salt,"
